

Abstract Topics

- 1. Alternative medicine, homeopathy and acupuncture**
- 2. Anesthesia**
- 3. Animal Welfare**
- 4. Behavior**
- 5. Clinical Pathology**
- 6. Critical care and emergency medicine**
- 7. Dentistry**
- 8. Dermatology**
- 9. Diagnostic imaging**
- 10. Endocrinology**
- 11. Exotics**
- 12. Feline medicine**
- 13. Gastroenterology and hepatology**
- 14. Hereditary diseases**
- 15. Infectious and emerging diseases**
- 16. Internal medicine (other)**

- 17. Nephrology and Urology**
- 18. Neurology/Neurosurgery**
- 19. Nutrition**
- 20. Oncology**
- 21. One health**
- 22. Ophthalmology**
- 23. Orthopedics**
- 24. Other**
- 25. Pain management**
- 26. Pharmacology**
- 27. Practice management**

28. Reproduction, pediatrics
29. Soft tissue surgery and Oncosurgery
30. Sports Medicine and Rehabilitation
31. Teaching/Education
32. Veterinary nursing

1. Anesthesia
2. Animal Welfare
3. Behavior
4. Clinical Pathology
5. Critical care and emergency medicine
6. Dentistry
7. Dermatology
8. Diagnostic imaging
9. Diversity, Equity, and Inclusion
10. Endocrinology
11. Exotics
12. Feline medicine
13. Gastroenterology and hepatology
14. Hereditary diseases
15. Infectious and emerging diseases
16. Integrative medicine (including acupuncture, homeopathy, etc.)
17. Internal medicine (other)
18. Nephrology and Urology
19. Neurology/Neurosurgery
20. Nutrition
21. Oncology
22. One Health
23. Ophthalmology
24. Orthopedics

- 25. Other**
- 26. Pain management**
- 27. Pharmacology**
- 28. Practice management**
- 29. Professional wellness/wellbeing**
- 30. Reproduction, pediatrics**
- 31. Soft tissue surgery and Oncosurgery**
- 32. Sports Medicine and Rehabilitation**
- 33. Teaching/Education**
- 34. Veterinary Association Management/Organised Veterinary Medicine**
- 35. Veterinary Communication**
- 36. Veterinary Leadership**
- 37. Veterinary Nursing**
