

Benefits of Attending & Past Statistics

Industry Benefits of Supporting WSAVA:

- Network with veterinarians, clinic owners and C-level professionals of the veterinarian industry
 - Be present amongst the industry's leading companies from all areas of veterinary care for small companion animals
 - Find distributors and partners to expand your business internationally
 - Take advantage of three full days of the latest developments in veterinary health and get up to date on the latest WSAVA guidelines
 - Approximately 3000 attendees are expected
