

CE Accreditation

Registry of Approved Continuing Education (RACE)

The 48th World Small Animal Veterinary Association (WSAVA) is approved by the Registry of Approved Continuing Education (RACE) to provide the following CE activity for medical specialists. RACE is an institution of the American Association of Veterinary State Boards (AAVSB): www.aavsb.org/RACE/.

This program 20-1076610 is approved by the AAVSB RACE to offer a total of 102.50 CE Credits available to any one veterinarian. Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity.

This RACE approval is for the subject matter categories of Category One: Scientific using the delivery method of Seminar/Lecture. This approval is valid in jurisdictions that recognize AAVSB RACE; however, participants are responsible for ascertaining each board's CE requirements. RACE does not "accredit" or "endorse" or "certify" any program or person, nor does RACE approval validate the content of the program."

Veterinary Continuous Education in Europe (VetCEE)

This course has been accredited by VetCEE as a level 7 post-graduate training course. It has undergone evaluation of its content and quality assurance systems.

CREDIT VALUE: 1 ECTS

EDUCATIONAL LEVEL: Level 7 Advanced

The main purpose of VetCEE is to provide accreditation of national and international programs for Continuing Veterinary Education (CVE) in Europe and to facilitate the recognition of Continuous Professional Development (CPD) between the various countries in Europe: <https://www.vetcee.eu/> .

To Receive Your CE Certificate

The CE certificate will be available after completing the online evaluation and credit-claiming procedure. The process takes about 5 minutes. We thank you for your feedback as it is an important part of CE accreditation and helps improve future educational offerings.

- Access the online system via the following [HERE](#)
- Please note that web browsers Mozilla Firefox 2. X or higher, or Google Chrome are recommended
- Complete the anonymous online evaluation
- Complete the credit claim form and submit

The CE certificate will be available for download and retained for your personal records.

Disclosure and Resolution of Personal Conflicts of Interest

In accordance with AAVSB RACE Standards for commercial support to ensure balance, independence, objectivity, and scientific rigor, those in control of the educational content must disclose potential or actual conflicts of interest. Disclosure information is evaluated and conflicts of interest resolved. Disclosure is made to participants prior to the activity. Participants will be asked on the evaluation to assess the objectivity and independence of the event.

- *Disclosure information is available [here.](#)*
